SILVER ANNIVERSARY! WHAT A BEAUTIFUL RING THAT HAS!

The term itself, usually has the connotation of success, accomplishment, reaching a desired plateau in either business, social, family, fraternal, religious and political life. Or sometimes as in Sally's case, all of the above

The lady has such verve, vitality and Directness of purpose towards her goals, it's awe inspiring. She leaves in her path a light so bright only the blind could not follow, and then she will lead by the hand.

With the world the way it is today, we need more S Sally's, many many more, and as with our natural resources we should do all in our power to nurture and preserve this rare commodity.

It is my most fervent wish that her 25th Anniversary will be one of the grandest celebration ever. And that we fellow-Americans will be blessed with another 25 years of her direction, leadership, love and understanding she displays in all her endeavors. I wish the most glorious and grandest felicitations to you, Sally Famarin.

Dear Auntie Sally,

Great people are born under the sign Scorpio and I think you are one of the greatest.

Auntie, I read the clippings you sent me on "a Scorpio Woman". It's very true I have a big laugh and I believed in what you said. It is said Auntie, that extremes are always good and moderate in their ways. However, My warmest Congratulations, on your Silver years. It is indeed a great honor!

**Congratulations on your Silver Anniversary &
33 year service to the community.**

We also would like to give my applause and recognition for the leadership Commissioner Sally B. Famarin has shown in fostering the development of the Association since its founding in 1968. Her promotion of the veneration of the Santo Niño de Cebu in the United States as shown during the Filipino Fiesta week in January each year has made a great name for Filipinos not only in San Francisco, but all over the country.

As World Emissary of the Association, she has formed Chapters, Affiliate and Sister organization for the same common goal, "to serve Sto. Niño for peace and dignity of men." She is the one responsible and strongly endorsed to the Cebu government, Governor Eduardo Gullas so that Mayor George R. Mosconi be given the official decree as an adopted Son of Cebu, Philippines which was presented to him November 21, 1978 during his birthday at the Golden Gate Park in San Francisco.
